

VA Northeast Ohio Healthcare System - PGY2 Geriatric Pharmacy Residency

The VA Northeast Ohio Healthcare System is a teaching healthcare system with 18 locations in Northeast Ohio that serves more than 110,900 Veterans across 21 counties. It is a training environment for more than 3,000 students across various disciplines in affiliation with more than 200 academic institutions. The main medical center, the Louis Stokes Cleveland VA Medical Center, is one of the largest VA facilities in the country and serves as the primary residency site. It is located about six miles east of downtown Cleveland at Wade Park in University Circle.

PGY2 Program Purpose: : PGY2 residency programs build upon Doctor of Pharmacy (PharmD) education and PGY1 pharmacy residency training to develop pharmacist practitioners with knowledge, skills, and abilities as defined in the educational competency areas, goals, and objectives for advanced practice areas. Residents who successfully complete PGY2 residency programs are prepared for advanced patient care or other specialized positions, and board certification in the advanced practice area, if available.

The PGY-2 Geriatrics Pharmacy Residency offers clinical experience in Acute Inpatient Rehabilitation, Geriatric Outpatient clinic, the Community Living Center (CLC) and areas where geriatric patients are especially concentrated and have specific needs. The resident will function as a member of the multidisciplinary geriatric care team during diverse patient care activities. Our goal is to promote individual growth, professional development, self-reliance, and responsibility.
